

WEST
SLOPE
FOUNDATIONSM

Dear Potential Donor,

Our small communities nestled in the foothills of the Sierra are constantly on alert for a variety of hazards such as wildfires, mudslides, and floods that can leave many residents in urgent need. We are committed to ensuring we have the resources necessary for effective crisis management.

We respectfully ask for your support to help us develop and expand our Preparedness, Response, and Recovery programs. Your donation will enable us to deliver crucial trainings and resources that provide essential tools to empower residents to prepare for, evacuate from, and recovery after a disasters. Your donation will allow us to help people during every stage of disaster.

Your kindness will greatly strengthen our community's resilience. Contributions like yours are vital in sustaining our mission, and we genuinely appreciate your thoughtful consideration.

To make your donation, please visit our website at www.WestSlopeFoundation.org or reach out to us at 530-287-4710. Thank you for supporting the West Slope Foundation and investing in the improvement of our communities.

Warm regards,
