ABOUT

# PARTNERS

---

Listos California draws on a broad array of experts, advisors, and implementation partners to develop and deliver emergency preparedness, response, and recovery information to California’s diverse populations. Almost 100 community-based organizations familiar with local cultures, deliver this information and reach out within their own communities to make them safer, stronger, and more resilient. This network of partners extends Listos California’s reach in the community and

ensures authentic engagement with diverse and vulnerable populations.

[Valley Vision](#), a non-profit civic leadership organization, helps coordinate the work of all the partners to ensure cohesion throughout the campaign.

To view the full list of 2022 community partners, along with their service areas and populations served, visit the [Listos Atlas](#).

See lists below to learn about 2019 community partners.
